Commissioners' Report

In accordance with the Public Law of the State of New Hampshire, the Commissioners of Sullivan County herewith present the annual report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and the Physician of the County Home for the year ending December 31, 1942.

To the Citizens of Sullivan County:

In closing the books for the year 1942, with all bills paid as presented, we wish to state that the business of the county has been completed within the budget adopted by the County Delegation, with a substantial balance on hand.

In continuing our policy of making repairs each year as they become necessary, we have painted the Court House and County Offices, as well as all buildings at the County Home.

For the past four years through the courtesy of the Claremont Fire Department, a complete inspection of our Fire Equipment at the County Home has been made each year. As a result of this service many helpful improvements have been installed.

Due to the shortage of labor and our inability to obtain material, it seemed advisable to postpone the building of the cottage at the County Home as allowed by the Finance Committee of the County Delegation. The reason for building the above cottage is to accommodate married men with families whom we are unable to employ under present conditions. It is our request that the funds set aside for this purpose be kept available until conditions are more favorable to building.

Each year it is customary for one of the counties of the state to be host to the County Commissioners' Association at their annual fall meeting. This year it became our privilege to entertain the County Commissioners and wives together with the Superintendents and Matrons of the respective County Homes. On Friday, October 2, 1942, a business meeting was held at the Colonial Hotel in Claremont, N. H. Saturday, October 3, at 10:30 a.m. guests inspected the County Home and at 1:00 p.m. our Matron, Mrs. Florence Grout, served one of her fine dinners. This was followed by a delightful

entertainment given by a group of talented artists from R-K-O-Vaudeville Exchange of Boston, Massachusetts.

Dr. Henry C. Sanders of Claremont, N. H., who had served the County very efficiently for the past seventeen years, resigned as County Physician. This vacancy was filled by Dr. Carl Stearns until he enlisted in the service of the United States Army. Dr. Sanders again kindly consented to assist us until another physician could be secured.

The County Home expenditures were somewhat larger than anticipated due to the shortage of prisoners in the House of Correction which necessitated hiring more paid help. However, the income from the County Home was considerable greater than the amount estimated in our budget in 1942.

To the Citizens of Sullivan County who have assisted us in our work during the past year; to all those in the employ of the County; town officials, state officials, chaplain, physician, and to all clubs and organizations who have so kindly contributed to the welfare and happiness of the inmates and patients at our County Institution, we are sincerely grateful.

We have again been privileged to work with Mr. and Mrs. Grout, our Superintendent and Matron, in the supervision and management of our County Home. May we thank them for their fine efforts in making a pleasant home for those who live there.

HENRY W. KIELY,
WALTER F. HOWLAND,
ALFRED T. PIERCE,
Commissioners.

Cheshire-Sullivan County Farm Forestry Project Budget

JULY 1, 1943—JUNE 30, 1944

Federal and State contribution				\$1,750.00
Expenditures	Cheshire	Sullivan		Total
Personal Salary	\$ 125.00	\$ 125.00	\$	250.00
Travel of Project Forester, (including meals, lodging)	250.00	250.00		500.00
Supplies	25.00	25.00		50.00
Communication (telephone)	35.00	35.00		70.00
Stenographic Service	65.00	65.00		130.00
Total	\$ 500.00	\$ 500.00	\$	1,000.00

The proposed project has been carefully reviewed by the Board of Directors of Sullivan County Farm Bureau with K. E. Barraclough, Forester, University of New Hampshire Extension Service. The agent would be located at Marlow, N. H., to work in both counties. His duties would be to give advice and council to woodland owners about growing and marketing of timber. He would assist mill operators in locating the type of timber their market demands. His services are particularly valuable at this time, both to the woodland owner who finds it advantageous to sell logs because of higher prices, and to the mill owners who are operating to supply defense plants and those whose business is sufficient to justify priority ratings.

We recognize the growing scarcity of timber in this area and value of a trained forester in assisting owners to market only that which should be cut. For these reasons the Executive Committee of Sullivan County Farm Bureau recommends that the delegation make available the sum of \$500 for the proposed project. It is expressly understood that the expenditure of these funds would be under the supervision of the County Farm Bureau Directors in the same manner as for other County Extension work.

Signed:

CARL B. CHELLIS, *Secretary-Treasurer*
Sullivan County Farm Bureau

Chaplain's Report

North Charlestown, N. H., January 29, 1943

To the Commissioners of Sullivan County:

Gentlemen:

Again it has been a spiritual uplift to the chaplain and his wife to meet and work with the folks at Sullivan County Home another year.

Services are held in the chapel at three o'clock alternate Sunday afternoons, except during the month of August.

In calling on the people in the hospital we find wonderful spirits of courage, faith, hope, and resignation.

I have officiated at one funeral service.

We appreciate the fine, cooperative spirit of everyone at the home. The purpose and spirit of the institution could well be expressed in the words of an old hymn—

“To serve the present age,
My calling to fulfill:
O may it all my powers engage
To do my Master's will.”

Yours truly,

CARROLL L. CARTER,

Superintendent's Report

To the Honorable Board of Sullivan County Commissioners:

Regardless of conditions, the farm production exceeded that of most previous years. However, the help problem continues to become more serious and it is doubtful if we will be able to plant and care for as much farm and garden produce as we did last year.

As we stated in last year's report, we have practically no inmate help and we are getting only about half the prisoner help that we have had in past years.

Our expenditures have increased somewhat, partly due to the fact of a larger pay roll as well as, in anticipation of our requirements we have taken advantage of purchasing a surplus of goods that were possible to obtain. As everyone knows, wages as well as prices of commodities are from ten to twenty per cent higher than in previous years. Regardless of increased expenditures, our income was considerably higher than in the past, and topping the estimated income for 1942 by very nearly eleven thousand dollars, and the previous year by about ten thousand.

Our inventory for 1942 is larger than any of the past years due to rise in value and stock on hand.

The fuel situation is getting very serious. We use between four and five hundred cords of four-foot wood for heating purposes every year and with the help available, it is practically impossible for us to meet the problem. Some attention should be given to this matter.

To you, our Board of Commissioners, we wish to extend our appreciation for the courtesy and cooperation you have so generously given us.

Respectfully submitted,

LUMAN M. GROUT, *Supt.*
FLORENCE E. GROUT, *Matron.*

Physician's Report

January 1, 1943

To the Commissioners of Sullivan County:

Gentlemen:

I submit the following report as physician to the Sullivan County Home.

There were forty-three deaths during the year. The deaths were all due to some chronic disease.

Yours respectfully,

HENRY C. SANDERS, Jr., M. D.

Solicitor's Report

January 1, 1943

To the Commissioners of Sullivan County:

Gentlemen:

On December 15, 1942, I was appointed Solicitor to perform the duties of County Solicitor by the Superior Court as a result of the resignation of County Solicitor William E. Nolin.

At the time of my taking over the duties of County Solicitor there was only one case pending for the grand jury and under an understanding with Mr. Nolin this case was not to be prosecuted if the respondent entered the armed service of the United States of America. The Probation Department is assisting the respondent in his attempt to get into the service of our country.

No new cases have arisen to date that have required the attention of the County Solicitor.

Respectfully yours,

HOWARD H. HAMLIN, *Solicitor*.
